Mark Twen "The adventures of Tom Soyer."

It has always <sup>✓</sup>to imagine our life without favorite books. And now, I would like to ~~give a talk~~ about my favorite book - "The adventures of Tom Soyer", which was wrote <sup>by</sup> Mark Twen.

I like "The adventures of Tom Soyer" because I have pleasure when read these book. I had read it in English and not in the Russian translations, because I think that I can to learn new words for me and to improve my English. My school library should have this book, because our schools have different books of different literature.

Love to read! The reading books is good way to relax for everybody. Besides, Books is a most acient source of usefull information.
